

# MEMORIAL FEDERATION

## SUPPORT MEMBERSHIP APPLICATION FORM

To promote and enhance the status of the NATO Memorial, the values that the Memorial upholds, and to develop concepts designed to raise the public profile of the Memorial. To keep alive the duty of Remembrance and to help victims (killed or wounded during NATO military operations) and their immediate families.

The NATO Memorial Federation has been created to defend these values, also to amalgamate all nationalities, institutions or associations who are supportive to its value and eager to be associated with its ongoing development.

For those wishing to be associated with the NATO Memorial and the ethics it impetuses, whatever their derivation, **membership is completely free.**
